Cobram Swap Meet

A dozen or so members attended the Cobram Swap Meet to sell raffle tickets. We saw a variety of vehicles ranging from motorbikes through to trucks and also a collection of bric a brac. A good time was had by all.

Friday Night at Eric & Rhonda's

Eric cooked up a feast, (with Rhonda's help I'm sure). If you haven't seen Eric's shed you don't know what you're missing. He has an extensive collection! I'm certain everyone would have found something of interest to admire.

A BIG THANK YOU TO ERIC & RHONDA

Here's a
taste.....**

Mark McInnes's wife Maryanne just wanted us to know that Mark was burnt in an explosion in the shed. Fuel ignited when welding the exhaust on his ute. He was choppered to the Alfred Hospital with bad burns mostly to his arms and hands. He is high on drugs at the moment.

Mark is very upbeat for now and with more surgery is to come.

We wish Mark all the best and a speedy recovery.
